

MEMENTO
HOSPITALI

POSTER

OH MENTAL ASYLUM

STORY:
My story about a mental hospital. It had a riot of patients. Only one survivor remained normal person in the building. It was a doctor or sanitar. Choose your style there are 2 character. You can play for a doctor or sanitar. If you play for a doctor, then you have more opportunities for smart play. If you play for a sanitar, then your power quality is better, but intaligency low. You oppose the crazy monsters. Goal of the game is to go step by step all the labyrinths of the building, fighting the enemies.

In game 5 stage-levels, and 5 bosses

DOC:
claver, but cowardly

SANITAR:
strong, but not inteligentny

CRAZY SCIENTIST

MANIAC

BIG BABY

NAPOLEON

STORY:

My story about a mental hospital. It had a riot of patients. Only one survivor remained normal person in the building. It was a doctor or sanitar. Choose your style there are 2 character. You can play for a doctor or sanitar. If you play for a doctor, then you have more opportunities for smart play. If you play for a sanitar, then your power quality is better, but intaligency low. You oppose the crazy monsters. Goal of the game is to go step by step all the labyrinths of the building, fighting the enemies.

GENRE:

This game genre is horror/quest. Playing the game you go to different rooms and hallways. You need to find a way. Exit to another floor. But before that you have to fight with the boss. It always happens very suddenly. But first you are looking for the keys to the door, decide logical problems, without fighting

BOSSSES:

Each boss has a different combat characteristics and behavior style. New levels of bosses stronger than before. Often to kill the boss you want to use new weapons. Game ends when you kill the last boss of Napoleon and exit from the psychiatric hospital.

TARGET AUDIENCE:

6~60, becose this game is trash stile game.

DOC

The doctor is not very strong, but he may well solve the quest. He is frightened and loves reasoning. This character is not for young players.

SANITAR

She does not like to talk and ready to repel even the strongest opponent. but she has no logic. This character is suitable for young and especially young girls.

Mad scientist is the first person with whom you have to fight at the end of the first level. In his hands drip. He is peaceful, but the crafty chemist.

BOSS 1:
crazy scien-
tist

This man is not as dangerous as it seems, he is stupid and not nimble. You will be bad if he hit you, because he is very strong and in his hand stool.

BOSS 2:
PARANOID

Maniac is very dangerous, but do not be afraid of him too much, he is in a strait-jacket. Be careful. He bites and fights his head

You'll never know what he can be expected. He looks harmless enough, but do not relax. his appearance is changeable. He is very evil and cunning

BOSS 3:
MANIAC

BOSS 4:
big
baby

BOSS 5:
Napoleon

napoleon main boss and
the most difficult boss.
To win it you must try.
He has a sharp sword
and aggressive plans

INTERFACE

when you play the
game you can see
the top of life. Below
you can see the form
of weapons and the
level of fearfulness
character

WEAPONS
