Story

This is a story of a pink hippo, Bababim, and a small mouse, Bababom. One day, Bababim and Bababom met in the forest. And they started to play hide-and-seek. Bababim went around the forest looking for Bababom. By mistake, Bababim swallowed his friend, Bababom. Bababom was slightly surprised, but without thinking twice, he stabbed Bababom's stomach with his knife and could get out from it. Bababom was happy rather sad. He called his other friends and join nice meal, hippo meat buffet! The small mice ate the whole hippo in an instant. Eventually, they are all bursting because of the gluttony.

Бабабим и Бабабом! Это история про розового бегемота, Бабабима и маленькой мыши, Бабабома. Однажды, Бабабим и Бабабом встретились в лесу. И начали они играть в прятки. Бабабим пошел вокруг леса, ища Бабабома. По ошибке, Бабабим съел своего друга, Бабабома вместе с травой. Бабабом был немного удивлен, но не думая дважды, он нанес удар по животу Бабабома со своим ножом и выбрался наружу. Бабабом был счастлив. Он позвал своих других друзей, чтобы они вместе съели! Маленькие мыши сразу съели целого бегемота. В итоге, они все лопнули от обжорства.

분홍색 하마, 바바빔과 작은 생쥐, 바바봄의 이야기. 어느 날 바바빔과 바바봄이 숲 속에서 만났어요. 둘은 숨바꼭질을 시작했지요. 바바빔은 바바봄을 찾아 나섰어요. 바바빔이 그만 실수로 바바봄을 삼켜버렸지요. 바바봄은 잠시 놀랐지만, 주저 없이 칼로 바바빔의 배를 가르고 탈출했어요. 바바빔은 슬프기보다 기뻐했어요. 다른 생쥐 친구들을 불러 맛있는 하마 고기를 대접했지요. 작은 생쥐들은 순식간에 커다란 하마를 모두 먹어 치웠어요. 결국, 생쥐들은 폭식으로 배가 터져 죽어버렸어요.

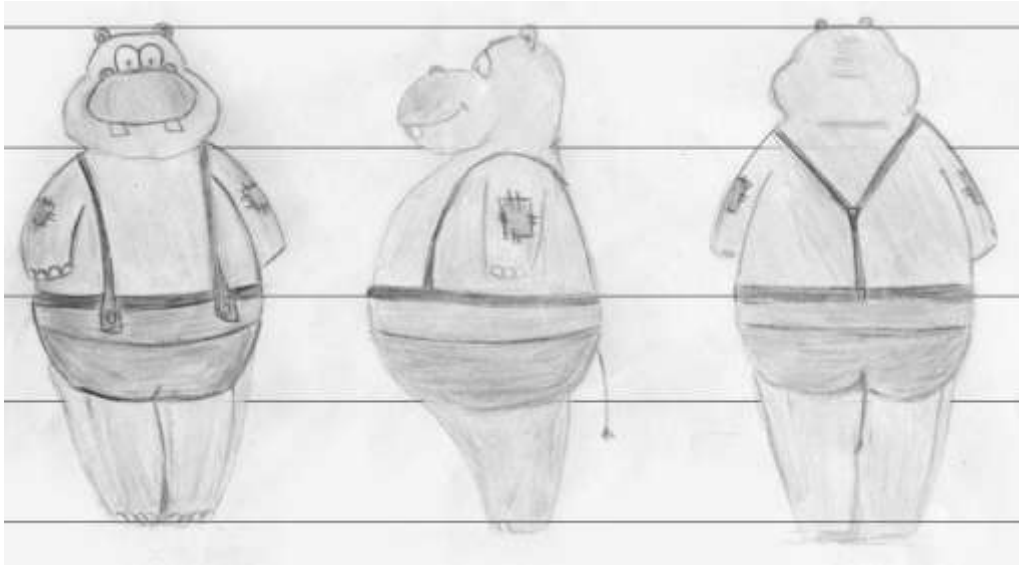

Graduation Projec

Character Design

Bababim

He is of pink color.

He is very kind and naive Hippopotamus.

Graduation Project

Character Design

Bababim.

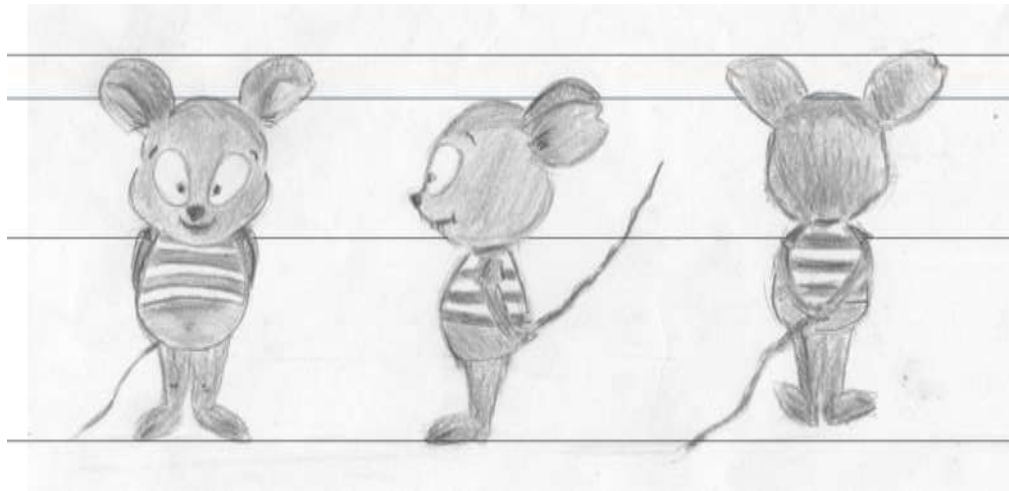

Graduation Project

Character Design

Bababom

He is colors of chocolate.

He is cheerful and artful little mouse.

Graduation Project Proposal
